198 responses

idk (2)

My school counselor can help me by keeping me on track with my grades. They can give a boost to accomplish what I want to do. (2)

they can help me this year because I know they'll help me whenever I need help (2)

Not at all

By finding your interest so you can join the right clubs, or after school activities.

They might help figure out what I want to major in.

The school counselors will help my by keeping me on track of the things I need in order to qualify for scholarships and get into the college of my choice.

Getting me on the right path for my career choice.

My counselor will help guide me in the right track to get somewhere in life

My school counselor might help me this first year by helping me decided now what College I would like to attend, before its too late in the future.

She will help me find the right collage

My school counselor can help me and finding a way to pass this year and help me get all my credits I need to graduate high school.

By showing me the best college(s) i could attend.

My counselor might help me to pass.

They can talk to me face to face on what I need to do to have a good year and get scholarships or what I need to do to get to college.

They will help us by making sure that we know what is right for us and by making sure that we get our stuff done on time.

My school counselor might help me this first year by helping me complete my IGP or Individual Graduation Plan.

She can help me if I had to talk to her about something evolving absences and other things evolving school.

They can help me keep up with important events and meetings throughout the year and help me figure out what club, group, and/or sport I'm best suited for.

My school counselor might help me this year be mindset of what I want to do after high school.

By helping me make better choices about my career.

In understanding how my credits are important in graduating. So they will tell me the correct classes I need to take.

I think my counselor will help my first year, is by helping me put together my college plan and take the

classes I need.

it help you alot

always staying in touch with her

She can tell me the information I need to get into college.

Help me find my direction in terms of jobs along with career options.

to figure out what classes to take and when

She could help me with making decisions about important work I need to get done in order to prepare me for college.

They can help me when I am feeling upset about my social life, or when I am stressed about school. They can help me to make sure I keep my grades in check.

By helping me with my problems, and listening to my person problems too with no judgement.

Helping out with the classes that you need to take in order to graduate or even just move on to the next year.

She might be able to help me with what classes I need to take and start setting goals so I can stay on track.

They might help me figure out what classes I need to take so that I can work the job I want to in the next 4 years.

She can help me make my way towards an Ivy league school, and take the right classes so that I can be an all around person, not just another student.

By answering any questions I might have.

They can help me work though most problems i might have.

Give me advice about what classes to take

She might help me by advising me what to do extracurricular-wise or what classes I should take.

Helping me find classes that fit with the profession that I want to go into.

They might help with the transition between middle to high school.

Help me with my grades, and the credits i need to graduate. Also help me get the right classes for the right amount of credits.

My High school counselor might help me be more prepared for college and help us achieve our dream career.

I guess the only thing that I could use is some support or motivation to get myself through this stress filled year.

She could help me by telling me what I need to do in order to be successful in my future years at Richland Northeast and College. This is really helpful to me because I could know what classes to take and

nortneast and College. This is really helpful to me because I could know what classes to take and scholarships to apply for to get ready for and also excel in college and my future years. If I do what my guidance counselor instructs me to do and pass the classes she helps me enroll in then I will be set for my future years at college and beyond. My counselor can also prepare me for my Sophomore, Junior, and Senior year at high school. Then it may help me for my Freshman, Sophomore, Junior, and Senior year in college.

IDK
